Feel Special

King Kendall

Radio smasha, Ask your girl she'll tell ya
yeah

ohhhhhhh ew whoa whoaaaaa
Repeat x2

Verse 1:
Yea i think i done found my type
lil mama over there to the right
if she gives me the chance it just might
be the best best time of her life

cuz I'm trying not to
leave here without you
look at you, you

shawty she bad and she knows
bad from her head to her toes
and bet you she knows
yea i bet you she know yea

shawty she bad and she knows
bad from her head to her toes
and bet you she knows
yea i bet you she know yea

cuz she aint been with a nigga like me
fall in love if you fucking with me
cuz I'm trying not to
leave here with out you

she aint been with a nigga like me
fall in love if you fucking with me
cuz I'm trying not to

Hook/Chorus:
I know you like to party on your own
and i know you like to party all night long
but i can make you feel special

i can make you feel special, yeah

I'm asking that you stay the night with me
and i promise that you'll never want to leave
cuz i can make you feel special
i can make you feel special, yeah

Verse 2:
Girl i hope that you're athletic
fucking with me you might need a paramedic
cuz it aint hard to see what you're doing to me
im a give you the best night ever

run a bath filled with rose pedals
run my fingers through your hair so gentle
i don't know what you're use to but I'm a take this to another level

i said ew wee i know you feel me baby can we
leave our home girls and our homies

i said ew wee i know you feel me
can we leave our home girls and our homies

cuz she aint been with a nigga like me
fall in love if you fucking with me
cuz I'm trying not to
leave here with out you

she aint been with a nigga like me
fall in love if you fucking with me
cuz I'm trying not to

Hook/Chorus:
I know you like to party on your own
and i know you like to party all night long
but i can make you feel special
i can make you feel special, yeah

I'm asking that you stay the night with me
and i promise that you'll never want to leave
cuz i can make you feel special
i can make you feel special, yeah

she aint been with a nigga like me
fall in love if you fucking with me

repeat x2

Feel special, so special yeah

Yeah moo mah, i can make you feel special baby, yeah
