

# June in January

## Julie London

It's June in January  
Because I'm in love  
It always is spring in my heart  
with you in my arms.  
The snow is just white blossoms  
that fall from above.  
And here is the reason, my dear,  
Your magical charms.

The night is cold  
the trees are bare  
And I can feel the scent of roses in the air.  
It's June in January  
Because I'm in love.  
But only because I'm in love with you.
