I Died Inside

Lesley Gore

He turned around, walked out that door.
Out of my life, Forevermore
And I died in side
I died in sideIt's been a while since the day
When my lover he went away
I can't forget my tears and sigh's
As he Ignored my pleading cries
He turned around, walked out that door.
Out of my life forevermore
And I died inside
I died insideI'd met other guys like Eddie and Bill
Not to mention Jeffrey or Phil
Behind the smile, that some might face
The pain I feel, can't be erased
He turned around, walked out that door.
Out of my life forevermore
And I died inside
I died insideMy life is useless, it's lonely and cold
With no one's hand to have or to hold
I'm Half a heart just half a soul
Since my lover, he let me go
He turned around, walked out that door.
Out of my life forevermore
