

Judy

Elvis Presley

They say you found somebody new

Whose love will always be true

I don't know what it is to be alone

That's why I dread to know you're goneOh, Judy, don't let our sweet love wither and die

Like flowers in the fall

Oh, Judy, don't you know

It's you I love most of allOh, please come back

I promise always to be true

Oh, Judy, there'll never be

Anyone else, dear, but youOh, please come back

I promise always to be true

Oh, Judy, there'll never be

Anyone else, dear, but you
