

# New In Town (Fred Falke Fadio Edit)

## Little Boots

Heard you're new in town, want someone to show you 'round  
Well, no one knows this place just quite like me  
Well, I don't hang with the crowd where I go we're dressing down  
I'll take you where the music plays for free So don't rely on people you meet  
'Cause no one is safe in these streets I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a good time I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a real good time So what do you think so far? Is it all you're hoping  
for?  
Does it live up to your every dream?  
Or do we disappoint? Well you made the choice  
When you wake up can you hear the scream? So don't rely on people you meet  
'Cause no one is safe in these streets I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a good time I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a real good time 'Cause I know how it feels to be alone  
When strangers only make you feel the cold  
You never ever felt so far from home  
You never felt so far from home I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a good time I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a real good time I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a good time I'm gonna take you out tonight  
I'm gonna make you feel alright  
I don't have a lot of money but we'll be fine  
No I don't have a penny but I'll show you a real good time
