

# First Time In a Long Time

Gotthard

Time to call another girl in town, time to take all of your pictures down  
It's time to let them know, I'm still around  
Wish I had the words to say it right , the show is over  
Let's just say goodnight, and all the feelings that were locked inside  
Are free  
Cause it's the  
First time in a long time, I'm here on my own  
And I'm finding reasons , to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
I'll be all right  
I might just take a ride on the open sea, a million miles from where I used to be  
With every step I take, I do believe ..oh  
I see my whole world from the inside out, one more reason not to cry out loud  
A new beginning and I'll find my way somehow  
Now it's the ãfÂçÃç?Â¬ Â!  
First time in a long time, I'm here on my own  
And I'm finding reasons , to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
I'll be all right  
I could tell you my story, bout the hell I've been through, oh yeah  
I've been praying for the answers, and all that really matters  
Is coming out of the blue  
Cause it's the  
First time in a long time, I'm here on my own  
And I'm finding reasons , to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
It's the , first time in a long time  
It's the , first time in a long time  
But I'll be all right, I'll be all right  
Time to call another girl in town
