Kiss From A Rose

Gregorian

There used to be a graying tower alone on the sea
You became the light on the dark side of me
Love remained a drug that's the high and not the pill
But did you know that when it snows
My eyes become large and the light that you shine can be seenBaby, I compare you to a kiss from a rose on a gray
Ooh, the more I get of you, the stranger it feels, yeah
Now that your rose is in bloom
A light hits the gloom on the grayThere is so much a man can tell you, so much he can say
You remain, my power, my pleasure, my pain, baby
To me you're like a grown addiction that I can't deny
Won't you tell me is that healthy, baby?
But did you know that when it snows
My eyes become large and the light that you shine can be seenBaby, I compare you to a kiss from a rose on a gray
Ooh, the more I get of you, the stranger it feels, yeah
Now that your rose is in bloom
A light hits the gloom on the grayI've been kissed by a rose on the gray
I've been kissed by a rose on the gray
I've been kissed by a rose on the gray
I've been kissed by a rose on the grayThere is so much a man can tell you, so much he can say
You remain, my power, my pleasure, my pain
To me you're like a grown addiction that I can't deny
Won't you tell me is that healthy, baby?
But did you know that when it snows
My eyes become large and the light that you shine can be seenBaby, I compare you to a kiss from a rose on a gray
Ooh, the more I get of you, the stranger it feels, yeah
Now that your rose is in bloom
A light hits the gloom on the grayYes, I have compare you to a kiss from a rose on the gray
Ooh, the more I get of you the stranger it feels, yeah
And now that your rose is in bloom
A light hits the gloom on the grayNow that your rose is in bloom
A light hits the gloom on the gray
