Teach U A Lesson

Drake

You feel so good, you smell so good
You feel so warm just like I knew you would
Can?t let you go, can?t let you go
I can?t let you go
You were late to school
I?m gonna have to see you after class
You?ve been a bad girl
Someone?s gonna have to teach u a lesson
You?ve been a bad girl
Someone?s gonna have to straighten you right out
You?ve been a bad girl
Someone?s gonna have to teach u, teach u
Someone?s gonna have to teach u
You can call me professor
But baby, you broke the rules
You won?t get the grade you want
Unless you stay after school
You can work it off
Baby, I can give you extra credit
But there?s something else
Girl, can I frisk you?
Search your body for you, look so guilty to me
If I make you nervous
It?s 'cause you?re hiding WMD's
And I?m gonna sentence you
Baby, you can do your time on me
I can?t let you go, I can?t let you go
You were late to school
I?m gonna have to see you after class
You?ve been a bad girl
Someone?s gonna have to teach u a lesson
You?ve been a bad girl
Someone?s gonna have to straighten you right out
You?ve been a bad girl, bad girl
Someone?s gonna have to teach u, teach u
Just for the moment for tonight
Can I make you mine?
Is it me? Is it us?
Can I love you all my life?
