

Take Another

Said no way
But knew I'd try some day
Sad but true
It still won't wash away And I can't take you with me
And I can't tell you what to do
I got a sieve inside me
A got a pit inside me
I got nowhere a point of view Makes me wanna
Take another piece
Take another piece
Take it out on me
Oh makes me wanna
Take another piece
Take another piece
Take it out on me yea My ambition fell
And hit the ground
Pick those pieces
Pick them from the ground And I can't take you with me
I can't tell you what to do
I got a sieve inside me
I got a pit inside me
I got nowhere a point of view Makes me wanna
Take another piece
Take another piece
Take it out on me
Oh makes me wanna
Take another piece
Take another piece
Take it out on me yea And I can't take you with me
I can't tell you what to do
I got a sieve inside me
I got a pit inside me
I got nowhere a point of view Makes me wanna
Take another piece
Take another piece
Take it out on me
Oh makes me wanna
Take another piece
Take another piece

Take it out on me yea
