

# Fly to the Rainbow

## Therion

I don't live today Rain in the sky, made the world fly  
Into time, back beyond time  
Sun in the sky, made the world fly  
Into time, back beyond time Rain in the sky, made the world fly  
Into time, back beyond time  
Sun in the sky, made the world fly  
Into time, back beyond time Rain in the sky, made the world fly  
Into time, back beyond time  
Sun in the sky, made the world fly  
Into time, back beyond time Well, I lived in magic solitude  
Of cloudy looking mountains  
And a lake made out of crystal raindrops  
Roamin' thru space, two thousand years ago  
I've seen the city of Atlantis  
Sinking into eternal darkness Somewhere in the blue distance  
Are those long forgotten trees of yore  
A broken violin floatin' alone in December  
Darkness everywhere and nothing more Symbol, strange melancholy  
Painted torrid colors to a sky of green  
Candle, breathing one night only  
Far away, in chillness, bleak, unseen Drifting galley, ghostlike shadow  
Set sail to catch and kill the time  
Echoes wandering down an endless meadow  
Search for a thing, sublime Fly, fly to the rainbow  
Fly away, so far away  
Fly, fly to the rainbow  
Fly away, so far away  
Fly, fly to the rainbow  
Fly away, so far away
