

Generous Palmstroke

Björk

I am strong in his hands
I am beyond me
On my own I'm human
And I do faults

I do confess
I feel you trickling
Down my shoulders
From above

Mmm mmm mmm mmm

I turn myself in
I give myself up
Volunteer
You own me : I'm yours

Mmm mmm mmm mmm

You have to trust it
I'm eternally yours
All that I gave them
I gave to you

Mmm mmm mmm mmm

So needy of comfort
But too raw to be embraced
Undo this privacy
And put me in my place

Mmm mmm mmm mmm

Generous palm stroke
The hugest of hugs
Undo this privacy
Embrace

Embrace me
Embrace me

Embrace me
Eeeeeemmmmm

Mmm mmm mmm mmm

I am strong in his hands
I am above
Way beyond me
I, con

She's strong in his hands
She is beyond her
On her own she is human
And she does faults
