I Gotta Run

Johnny & The MoTones

I'm gonna run
run away
Yes I'm gonna run
run far
I'm gonna run to where they can't find me
maybe down to New Orleans
I'm gonna run
Yes I'm gonna run(Inst)Where the time stands still
and there's magic in the air
give me another cup of joe
cause I'm not going anywhere
and I want to go see the show
and I heard there's room for one more
I gotta run
yes I gotta run
I gotta run
you know I gotta run
run for me babyI gotta run
run away
yes i gotta run
far from this place
I think I'll just
find my way
to a place they play
the blues all dayI gotta run
yes I gotta run
I gotta run
you know I gotta run, awayI'm gonna run
I'm gonna run
run, run, run away
