My Man

Jade Ewen

I never will, ain't never gonna
Stay out with a man like that at home
I never will. I never wanna
I'm faithful to himThe way his hands caress my body
I lose my control and let it go go
Let him run the show showOoh, he pulls me closer
All that I can do is make sure that I breatheMy man, irresistible
My man knows the way to go
He got, he got what I desire
He got, he got my head on fire
My man, intellectual
My man, so seductive, oh
All I want and all that I am
All I want is what I got with
My manThey way he wants to make an effort
He's got what it takes to handle me
The way he fronts what really matters
I know this is for realThe way he talks, you know that he is
I lose my control and let it go go
Let him run the show showOoh, he pulls me closer
All that I can do is make sure that I breatheMy man, irresistible
My man knows the way to go
He got, he got what I desire
He got, he got my head on fire
My man, intellectual
My man, so seductive, oh
All I want and all that I am
All I want is what I got with
My manOoh, with what I got with my manOoh, he pulls me closer
All that I can do is make sure that I breatheMy man, irresistible
My man knows the way to go
He got, he got what I desire
He got, he got my head on fireMy man, intellectual
My man, so seductive, oh
All I want and all that I am
All I want is what I got with
My man
