

Stay

Suzie McNeil

I'm a prisoner of my own imagination
and you're a character in my own creation

Yeah!

I never know if what you say is real
I never know how I'm supposed to feel

So I!

Figure everything out by your reaction

And I! just!

just just I just push you so hard

You wanna pull away

Hold you so tight

I'll make your body ache

Ride you until

Your nearly breaking

If you're really the one, you're really the one I'll call you all night

so that you stay awake

Love you until

It's just too much to take

Push you so hard

You'll pull away

But if you're really the one

you're really the one

You'll Stay!

Say you'll stay I can't navigate both of our emotions

But I can smother you in my expectations

Yeah!

I never know how much to say to you

I never know if all of this is new

But I'm!

Hoping we can meet halfway with some patience

When I just!

Just just I just push you so hard

You wanna pull away

Hold you so tight

I'll make your body ache

Ride you until

You're nearly breaking

If you're really the one

You're really the one I'll call you all night

So that you stay awake
Love you until
It's just too much to take
Push you so hard
You'll pull away
But if you're really the one
You're really the one
You'll stay Do you think I'm weird and crazy
Or do you kind of like what I'm made of
Maybe you hate 10 texts a day but
Other people might say that it's love Say you'll stay I just push you so hard
You wanna pull away
Hold you so tight
I'll make your body ache
Ride you until
You're nearly breaking
If you're really the one
You're really the one I'll call you all night
So that you stay awake
Love you until
It's just too much to take
Push you so hard
You'll pull away
But if you're really the one
You're really the one
You'll stay! Say you'll stay! If you're really the one
You'll stay
Say you'll stay If you're really the one you'll stay
