

# JORDAN

## Glen Check (ê, €ë Øi²'í•¬)

Oh, come in as you tread life's journey  
    Take Jesus as your daily guide  
Though you may feel pure and safely  
    Without Him walking by your side  
But when you come to make the crossing  
    At the ending of His pilgrim's way  
    If you ever will meet our Savior  
You'll surely meet Him on that dayNow look at that cold Jordan  
    Look at these deep waters  
    Look at that wide river  
    Oh, hear the mighty billows roar  
    You'd better take Jesus with you  
        He's a true companion  
        For I'm sure without Him  
    That you never will make it overThat awful Day of Judgment  
        Is coming in the by and by  
        We'll see our Lord descending  
        In Glory from on high  
    So let us keep in touch with Jesus  
    And in His grace the Love of God  
    That we may be ever called ready  
When He calls us over Jordan's TideNow look at that cold Jordan  
    Look at these deep waters  
    Look at that wide river  
    Oh, hear the mighty billows roar  
    You'd better take Jesus with you  
        He's a true companion  
        For I'm sure without Him  
    That you never will make it overOh what, what you gonna do  
        Oh what, what you gonna say  
        Oh how, how you gonna feel  
    When you come to the end of the way
