Never Go Back (feat. Nicole Wray)

Vincent John

You don't come around here no more
You don't look the same as before
Tripping through the daylight
Could've been moreShe's with me through the dead of the night
And I can't fight this feeling
I'm not the only one in your life
And I still struggle with that feelingWe can never go back
Do you ever think of me now and then?
We can never go back
I don't want to feel like I'm losing my friend
We can never go back
Tell me how it feels to be with you again
We can never go back
It was the darkest time in my life
Without my lover to turn to
And we were tripping through the daylight
It could've been more
She's with me through the dead of the night
And I can't fight this feeling
I want to be the love in your life
And I still struggle with that feelingWe can never go back
You don't come around here no more
I can't fight this feeling
I'm not the only one in your life
We can never go back
You don't look the same as before
And I still struggle with that feeling
We can never go back
Tripping through the day light
I can't fight this feeling
We can never go back
All we have is memories now
I said all we have is memories now
All we have is memories now
We can never, ever, go back
We can never go backWe could've been more
Said we, we could've been more
We can never go back
