Push It (Victor Calderone mix)

[Garbage](#)

I was angry when I met you
I think I'm angry still
We can try and talk it over
If you say you'll help me outDon't worry baby
No need to fight
Don't worry baby
We'll be alrightThis is the noise that keeps me awake
My head explodes and my body aches
Push it, make the beats go harder
Push it, make the beats go harderSorry that I hurt you
Please don't ask me why
I want to see you happy
I want to see you shineDon't worry baby
Don't be uptight
Don't worry baby
We'll stay up all nightThis is the noise that keeps me awake
My head explodes and my body aches
Push it, make the beats go harder
Push it, make the beats go harderCome on push it, you can do it
Come on prove it, nothing to it
Come on use it, lets get through it
Come on push it, you can do itDon't worry baby
Don't be uptight
Don't worry baby
We'll stay up all nightThis is the noise that keeps me awake
My head explodes and my body aches
Push it, make the beats go harder
Push it, make the beats go harder
(This is the noise that keeps me awake)
Push it, make the beats go harder
(My head explodes and my body aches)
Push it, make the beats go harder
(This is the noise that keeps me awake
My head explodes and my body aches)Don't worry baby
We'll be alright
Don't worry baby
We'll be alrightPush it [Repeat: x4]
