

Broke

Natalia Kills

I through with anger Tears have fallen
Wounds are mending the damage done
I'm breathing fire My heart is frozen
Do you have an answer. My ears are open If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh) But if i had a dime for every single time you ever made me cry I'd
be a millionaire
If i had a dime for every single time i should of said goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke My love is priceless can't buy my time back
So let's forget all our regrets and keep the change
You don't define me only remind me
I'd rather beg then live that lie with you again If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh) But if i had a dime for every single time you ever made me cry I'd
be a millionaire
If i had a dime for every single time i should of said goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke Youuuuu had it all but all I am is not enough
So I'm taking back my heart
I'm richer without you with nothing (nothing) nothing (nothing) nothing But if i had a dime for every single time
you ever made me cry I'd be a millionaire
If i had a dime for every single time i should of said goodbye I'd be a millionaire
But i don't don't
But i don't don't (ohhh ohh)
But i don't don't (cuz you left me Broke, you know you left me Broke)
But i don't don't (ohhh ohh)
