

Free

Mya

Everybody knows that yeah I'm kinda shy
And I'm not the kinda girl who could ever approach a guy
But I wanna find a way to get you to notice me
I got a four wheel drive, five five, brown eyes
Then maybe you can handle these
Because I'm free, single, sexy and sweet
Makin' my own money, lookin' for the right party
And if you're free, spit your best game at me
If you like what you see, maybe I'll let you share my fantasy
Now, I don't need a man in my life tryin' to tie me down
And I don't wanna playa who got kids all over town
Don't want his curl juice drippin' all over my Mercedes seat
I can't stand a man who thinks he looks better than me
I'm lookin' for a brother who likes to have fun
A fly gentleman who knows how to please a woman
The last thing I need is a man that's soft
He betta get it on up and break me off
Some a that fly high rise, six five ain't shy
And that's the kinda man I need
Because I'm free, single, sexy and sweet
Makin' my own money, lookin' for the right party
And if you're free, spit your best game at me
If you like what you see, maybe I'll let you share
Can you handle me? Single, sexy and sweet
Makin' my own money, lookin' for the right party
And if you're free, spit your best game at me
If you like what you see, maybe I'll let you share my fantasy
If you're having a good time
Just let go and don't be shy
Come on, yeah, oh yeah
If you're down to do whatever
Then let's sing this song together
I'm free, oh come on and be free with me
Free, that's right
Free, single, sexy and sweet
Makin' my own money, lookin' for the right party
And if you're free, spit your best game at me
If you like what you see, maybe I'll let you share my fantasy
Last chance, would you like to dance?

Get loose on the house tonight
Alright, don't be shy, alright
I'm just playin' boy, tonight's the night
Come on alright
Everybody in the house, high rise
All the brothers up in here, six five
Gotta get in on up, get high
You know you lookin' good tonight
All the ladies in the house, five, five
Gotta show 'em whatcha got thick thighs
Freak 'em on the floor get high
You know you lookin' good tonight
Ooh boy, you look so good to me
You might get lucky 'cause I feel free tonight
Are you available? Did you come here alone?
Won't you hang out with me? I'll freak you on the dance floor
If you're having a good time
I'm sexy and I'm freaky
Yeah I'm free, yeah I'm free
Yeah I'm free, yeah I'm free, yeah I'm free
