The Rest of My Life

David Meece

Lord, Your mercy came and it made me sing
With all my heart
Blessed be the name of the one who brings
Such a fresh new startAh, now the air smells clean
And the grass looks green, the sky looks bluer
Than I have ever seen
You have made my sweetest dream come trueAnd I want to live for You
For the rest of my life, for the rest of my life
And I want to give to You
All the rest of my life, all the rest of my lifeLord, You've proved again You're love extends
To the deepest need
When I hit the end You're love begins
And from there you leadLead through an open door
To a golden shore a royal kingdom
Where my heart explores
And the more I learn, the more I singAnd I want to live for You
For the rest of my life, for the rest of my life
And I want to give to You
All the rest of my life, all the rest of my life
