I Told You So

Boys Like Girls

Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say you wish you never left me.
I'll say "I told you so"
I told you so.
Verse 1-
I used to think it mattered.
How hard it was to cry.
Crying's just a reflex now to you.
Instead of trying to heal those scars, and the potholes in your life
Put a steel plate over them and that will do
Verse 2-
And as i waited by the bathroom door.
You writing on the bathroom floor.
Waiting for an answer that only I could give to you
Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say you wish you never left me.
I say "I told you so"
I told you so.
Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say your always gonna love me.
I say "I told you so"
I told you so.
verse 3-
The sun comes up and the blinds go down to hide you from the light
The light inside your eyes that wants to shine
I bet the Sunday morning reruns seem ridiculous like you
Sleeping everyday at different times
Verse 4-
Yeah you can run but you can't hide from me.
I know who you used to be
And that's the person that I want
To let me come inside

Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say you wish you never left me.
I say "I told you so"
I told you so.
Chorus-
Whenever you go then i'll waiting
Whenever theres loneliness your hating.
Whenever you say your always gonna love me.
I say "I told you so"
I told you so.
Bridge-
Don't shut the door.
Don't shut me out.
Don't make this be the last time i see your hands-
cause' i want them to hold me.
And i want you to show me.
That this will be our only place.
Without your face it's just no
Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say you wish you never left me.
I say "I told you so"
I told you so.
Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say your always gonna love me.
I say "I told you so"
I told you so.
Chorus-
Whenever you go then i'll be waiting
Whenever theres loneliness your hating.
Whenever you say you wish you never left me.
I say "I told you so"
I told you so.
I say i told you so i told you so.
i say i told you so i told you so.
