

# My Girl

**John David Kent**

## VERSE 1

Her heart was good, but she cussed alot  
She was her daddy's favorite son, and she fit the part  
When she said, give me a dip of that Copenhagen  
I ain't lady-like, cuz it's overrated

## CHORUS

My girl, climbs in on my side  
Sits in the middle  
Comes unwound when she hears Cherokee Fiddle  
She's got more mud on her boots, then all of them frat boy cowboys do  
And that says alot

## VERSE 2

Got a 12-pack of Lonestar Beer  
Head down to the Cowboy Club to see ol' Clint Scribneer  
When she says, give me a dip of that Copenhagen  
I ain't lady-like, cuz it's overrated

## CHORUS

My girl, climbs in on my side  
Sits in the middle  
Comes unwound when she hears Cherokee Fiddle  
She's got more mud on her boots, then all of them frat boy cowboys do  
And that says alot

## VERSE 3

A Texas girl with small town pride  
She's got a home-made tattoo that says, Daddy tried  
And then she says, give me a dip of that Copenhagen  
I ain't lady-like, cuz it's overrated

## CHORUS

My girl, climbs in on my side  
Sits in the middle  
Comes unwound when she hears Cherokee Fiddle  
She's got more mud on her boots, then all of them frat boy cowboys do  
And that says alot
