People Of God

Gungor

We could have tongues of angels We could move mountains with our faith We could give everything away But if we don't have love We're left with nothingWe could see blind eyes opened Know all the mysteries of our faith We could sing all the highest praise But if we don't have love We're left with nothingPeople of God rise up Rise up and shine God's love We are the light of the world Of the world, oh We are the light of the world Of the world, ohLove is what holds it all together Love never fails, it never dies There is no deeper truth We know God is love, our God is lovePeople of God rise up Rise up and shine God's love We are the light of the world Of the world, oh We are the light of the world Of the world, ohTear down the walls that divide us Let love rebuild and unite us All we need is, all we need is lovePeople of God rise up Rise up and shine God's love

We are the light of the world
Of the worldPeople of God rise up
Rise up and shine God's love
We are the light of the world
Of the world
We are the light of the world
Of the worldWe are the light of the world
Of the world, oh
