I've Got a Feeling

Jessica Pratt

When I look into your eyes
I've got a feeling
You're just a lonely ride
With both ends burning tonightWell here I am, another thousandth sister to the night
And mouthing tricks into my ears, the cigarette you light
Is burning out to the deep
Like meWhen I see you again
I've got a feeling
Our wires crossed end-to-end
And you're reeling the girl in againWell here I am, another thousandth sister to the night
And mouthing tricks into my ears, the cigarette you light
Is curling up from beneath
Like me
Girl, won't you dance for me?
Girl, won't you dance for me?
