Breakaway

Janet Leon

Bottom line, had enough
I?m fed up working overtime
So frustrating
It?s getting late
Seconds closer ?til I make my sweet escape
My heart is achingI, I, I can?t get you off my mind, mind, mind
I just can?t wait until tonight, night, night
It?s all I?m living for
Let my hair down, out the door
I can?t take this anymoreI just wanna, I wanna
I wanna breakaway
Every day the same routine
It?s just the same thing
I just wanna, I wanna
I wanna breakaway
Every day the same routine
It?s just the same thingDay and night
Just the thought of you gives me those butterflies
Intoxicating
Working you
Is the only work I ever wanna do
Make my move
I gotta get to youTonight, night, night it?s all I?m living for
Let my hair down, out the door
I just can?t take this anymoreI just wanna, I wanna
I wanna breakaway
Every day the same routine
It?s just the same thing
I just wanna, I wanna
I wanna breakaway
Every day the same routine
It?s just the same thing
