

Big Boys Don't Cry

Blue System

She's hurting me more than before
I spend a lot of dollars for
For nothing, for nothingShe left me like a broken toy
The jokes are made of lonely boys
For nothingI am a fool, I am a clown
I'm dying for nothing
I gave you love, you let me down
I'm dying for nothingOh, G.T.O. baby, G.T.O. baby
Big boys don't cry
Oh, G.T.O. baby, G.T.O. baby
Big boys don't cryA donut for your thoughts of my girl
You're living in a different world
For nothing, for nothingI wasted days and wasted nights
I paid the price to hold you tight
For nothingI am a fool, I am a clown
I'm dying for nothing
Shinin' in my eyes, you let me down
I'm dying for nothingOh, G.T.O. baby, G.T.O. baby
Big boys don't cry
Oh, G.T.O. baby, G.T.O. baby
Big boys don't cryOh, G.T.O. baby, G.T.O. baby
Big boys don't cry
Oh, G.T.O. baby, G.T.O. baby
Big boys don't cryOh, G.T.O. baby, G.T.O. baby
Big boys don't cry
Oh, G.T.O. baby, G.T.O. baby
Big boys don't cry...
