I Can't Get Started

Frank Sinatra

I'm a glum one, it's explainable
I met someone unattainable
Life's a bore, the world is my oyster no moreAll the papers where I lead the news
With my capers now will spread the news
Superman turns out to be flash-in-the-panI've flown around the world in a plane
Designed the latest IBM brain
But lately I'm so downhearted
'Cause I can't get started with youIn Cincinatti or in Rangoon
I simply smile and all the gals swoon
Their whims I've more than just charted
But I can't get started with youOh tell me why am I no kick to you
I who'd always stick to you
Fly through thin and thick to youTell me why I'm taboo each time
I chanced to see Franklin D
He always said, hi buddy to me
And with queens I've a la carted
But I can't get started with you
