That's the Way

The Honeycombs

That's the way - Honeycombs UK 1965 That's the way there's nothing in it
That's the way we should begin it
Take my hand, I leave you oh, so gently
That's the way, you send me reeling
That's the way, I hit the ceiling
With your sighs and in your eyes I see that
That's the way we'll fall in love Tell me (Tell me) That you really love me (I love you)Tell me you really need me, so I am sure That's the way, to set me singing
That's the way, are those bells ringing? Though you're shy, you know I really want you all the way
Don't keep me waiting, no delay, no, no, no hesitating
Here we go, just keep on holding tight and
That's the way to fall in love Tell me (Tell me) That you really love me (I love you)Tell me you really need me, so I am sure That's the way, there's nothing in it
That's the way, we should begin it
Take my hand, I leave you oh, so gently
That's the way, we'll fall in love
We'll fall in love... We'll fall in love We'll fall in love... We'll fall in love
