O'G3NE

Oh, let me tell you, let me tell you, got a winner
Got your numbers on the ticket, hit the lottery so lucky for you
Hm, you'll be feelin' so rich, gotta take, cause my love is
Worth a million and everythin' I plan the other day(Pre-Chorus)
You can't deny it, can't you tend it by the sample boy
Despite it, oeh. My touch is minus you're the foolish when
I'm givin' you the gold. Not everybody get this luckyChing ching take the money and runOh come and get it,
come and get it, you're a winner
Got your numbers on the ticket, hit the lottery so lucky for you(Pre-Chorus)Boy you're the only one I want. I
just wanna give you the
Best of me, give you the best of me. Tonight you'll been
Swimmin' in my love, I just wanna cover you up in me. I'll
