

One More Chance

Michael Jackson

Uh huh alright
This time I'm gonna do my best to make it right
Can't go on without you by my side
Hold on
Shelter come and rescue me out of this storm
And out of this cold I need someone
Oh why oh lord why why
If you see her
tell her this for me
All I need is One more chance at love
One more chance at love
(One more)
One more chance at love
One more chance at love
(See)
(One more)
One more chance at love
One more chance at love
(One more)
One more chance at love
(Alright)
One more chance at love Searching, for that one who is going to make me whole
Help me make these mysteries unfold
Hold on
Lightning about to strike and rain only on me
Hurt so bad sometimes it's hard to breathe
Oh why why
If you see her
Tell her this from me
All I need is One more chance at love
One more chance at love
(One more)
One more chance at love
One more chance at love
(One more chance for love)
One more chance at love
One more chance at love
(One more)
One more chance at love

One more chance at love And I will walk around this world to find her
And I don't care what it takes no
Why
I'd sail the seven seas to be near her
And if you happen to see her
See tell her this from me One more chance at love
(Yeah, yeah)
One more chance at love
(Tell her this for me)
One more chance at love
(Yeah, Yeah)
One more chance at love
One more chance at love
One more chance at love
(Lovin' you)
One more chance at love
(I can't stop)
One more chance at love
(Lovin' you)
One more chance at love
(Yeah one more)
One more chance at love
One more chance at love
(For love)
One more chance at love
One more chance at love
(Yeah I can't stop)
One more chance at love
One more chance at love
(Lovin' you)
One more chance at love
One more chance at love
(I can't stop)
One more chance at love
(Lovin' you)
(Aaow)
One more chance at love
(I can't stop)
One more chance at love
