

The Stockholm Syndrome

[CLMD](#)

I got the Stockholm Syndrome
Everywhere I turn I see places where we fell in love
I got the Stockholm Syndrome
Everywhere I go it's that city I keep thinking of
I got the Stockholm Syndrome
Everywhere I turn I see places where we fell in love

Standing on the platform
Blinded by the city lights
Oh, still I'm so drawn
Sweep me back into your night

Warm wind caress me
Taste just like nostalgia
Wonder if you miss me
Just like I've been missing you

I got the Stockholm Syndrome
Everywhere I turn I see places where we fell in love
I got the Stockholm Syndrome
Everywhere I go it's that city I keep thinking of

Memories embrace me
Hope oh don't forsake me
Once more entice me
Lure me back into your arms

Warm wind caress me
Taste just like nostalgia
Wonder if you miss me
Just like I've been missing you
