

# Roberta

## Frankie Ford

I ain't mad at you  
Don't you be mad at me  
I ain't mad at you  
So don't you be mad at me  
One and one is two  
Two and one is three

I pawned my pistol I pawned my watch and chain  
I pawned my pistol I pawned my watch and chain  
I woulda pawned Roberta but Roberta can't start a name

going to the river where the water goes round and round  
going to the river where the water goes round and round  
If I can't find Roberta gonna jump overboard and drown

I wanna find my baby going away downtown  
I wanna find my baby going away downtown  
If I can't find Roberta,  
Going to jump overboard and drown

Oh, I said I ain't mad at you  
Don't you be mad at me  
I ain't mad at you, child  
Don't you be mad at me  
One and one is two,  
Two and one is three

Come on baby!
