

# Breathing

## Lifehouse

I'm finding my way back to sanity again  
Though I don't really know what I'm going to do when I get there  
Take a breath and hold on tight, spin around one more time  
And gracefully fall back to the arms of Grace 'Cause I am hanging on every word you say and  
Even if you don't want to speak tonight that's alright, alright with me  
'Cause I want nothing more than to sit outside Heaven's door  
And listen to you breathing, is where I want to be, yeah  
Where I want to be I'm looking past the shadows in my mind into the truth and I'm  
Trying to identify the voices in my head, God which one's you?  
Let me feel one more time what it feels like to feel alive  
And break these calluses off of me, one more time 'Cause I am hanging on every word you say and  
Even if you don't want to speak tonight that's alright, alright with me  
'Cause I want nothing more than to sit outside your door  
And listen to you breathing, is where I want to be, yeah I don't want a thing from you  
Bet you're tired of me waiting for the scraps  
To fall off your table to the ground  
'Cause I just want to be here now 'Cause I am hanging on every word you say and  
Even if you don't want to speak tonight that's alright, alright with me  
'Cause I want nothing more than to sit outside Heaven's door  
And listen to you breathing, is where I want to be, yeah 'Cause I am hanging on every word you say and  
Even if you don't want to speak tonight that's alright, alright with me  
'Cause I want nothing more than to sit outside Heaven's door  
And listen to you breathing, is where I want to be, yeah Where I want to be  
Where I want to be
