Felony

Safe Mode

She's got a lot to live
She's got a lot to love
She means a lot to me
I'll follow my baby down
The girl is flying with a felony
But I can't resist to let her free
Can you hear my oldie heart?
Beating faster, in her hand
Corner five with a mobile phone
Take my money, take my car
Driving fast on the motorway
Take me baby, to your place
She's got a lot to live
She's got a lot to love
She means a lot to me
I'll follow my baby down
Dancing naked on the coast
Going deeper in her soul
L.A. sunlight in her hair
Bloody marys in my brain
The girl is living with a felony
But I can't resist to let her free
Driving fast on the motorway
Take me baby, to your place
She's got a lot to live
She's got a lot to love
She means a lot to me
I'll follow my baby down
She's got a lot to live
She's got a lot to love
She means a lot to me
I'll follow my baby down
She's got a lot to live
She's got a lot to love
She means a lot to me
I'll follow my baby down
