

# Bored

## Death Angel

Advisory - the following lyrics contain explicit language:

Guilty of no crime  
Not enough yet too much time  
I'm burning in this hell  
Plans to buy and dreams to sell  
Sitting by myself  
Living life and loving life  
But something bothers me  
What to do, I can't believe  
I'm bored, life, it's not so fair  
Nothing here and nothing there  
I'm waiting constantly  
It's not the way life's meant to be  
Boredom starts to set  
I try so hard but it's all I get  
Keep waiting all the time  
I think I've reached the end of the line  
I'm bored
