Advisory - the following lyrics contain explicit language:

I could build and aeroplane that travels over lands
I could take your DNA and replicate my hand
I could do so many things with my own bare handsI'd love to be your ass chika, stick it up your ass
I'm gonna be your lawn mower and cut your fucking grass
I can do so many things with my own bare hands, fuck itShe gonna be my cock professor, studying my dick
She's gonna get a masters degree in fucking me
I can do so many things with my own bare handsTake a shit on a bitch, shit fuck bubbajibba sucking on my shit
Kicking with a pussy gonna jammer, motherfucker, suck my fucking dick
I can do so many things with my own bare hands, fuck itI can do so many things with my own bare hands
With my own bare hands, with my own bare hands
With my own bare hands
