

Kingdom Come

Manowar

See the white lights
The light within
Be your own disciple
Fan the sparks of will
For all of us waiting
Your kingdom will come Rays of power shining
Rays of magic fall
On the golden voice
That speaks within us all
For all of us waiting
Your kingdom will come Kingdom come Feel the white lights
The light within
Yea, it burns a fire
Drives a man to win
For all of us waiting
Your kingdom will come Kingdom come Words of power
Calling to us all
Holding us together
While other kingdoms fall
No longer waiting
Our kingdom has come Kingdom come Kingdom coming
Another kingdom falls
The rightful are waiting
But all are not rightful
Wait and receive
The weight of the fall Kingdom come
Kingdom come
Kingdom come
Kingdom come
