Satisfaction

Allen Stone

I've been giving you love,
You've been giving me pain and sorrow,
I've been giving you love,
And I was hoping your love would follow,But now it seems,
I'm just another quarter in your offering,
Now it seems,
I'm just a victim in your schemes,So, what's it gonna take?
How many hearts you gonna break,
'Fore you find satisfaction?
You're like a snake,
Let me eat your fruit,
And then you shoot, shoot,
Till you find satisfaction,
Satisfaction,
Satisfaction,I've been giving you love,
You've been giving me nothing but excuses,
I've been giving you love,
And you've been giving me conjugal visits,But now it seems,
That I'm just another quarter in your offering,
Now it seems,
I'm just a victim in your schemes,So, what's it gonna take?
How many hearts you gonna break,
'Fore you find satisfaction?
You're like a snake,
Let me eat your fruit,
And then you shoot, shoot,
Till you find satisfaction,
Satisfaction,
Satisfaction,Now it seems,
I'm just another quarter in your offering,
Now it seems,
I'm just a victim in your schemes,So, what's it gonna take?
How many hearts you gonna break,
'Fore you find satisfaction?
You're like a snake,
Let me eat your fruit,
And then you shoot, shoot,
Till you find satisfaction,What's it gonna take?
How many hearts you gonna break,

'Fore you find satisfaction?
You're like a snake,
Let me eat your fruit,
And then you shoot, shoot,
Till you find satisfaction,
Satisfaction,
Satisfaction,
Satisfaction, yeah,
Ooh, yeah,When you gonna find satisfaction?
When you gonna find satisfaction?
When you gonna find satisfaction?
When you gonna find satisfaction? yeah,
Oh, satisfaction,
When you gonna find?
When you gonna get satis-, satisfaction?
Satisfaction,Yeah, yeah, yeah, yeah, yeah,
You gonna get it,
You're gonna get it,
Yeah, yeah, yeah, yeah, yeah,
You gonna get it,
You're gonna get it,Girl, you ain't nothing but a snake, girl,
You ain't nothing but a snake, baby,
You ain't nothing but a snake, baby,
You ain't nothing but a snake, no,When you gonna find satisfaction?
When you gonna find satisfaction?
When you gonna find, gonna find? oh,
Satisfaction, oh,
Yeah, yeah, yeah, yeah, yeah,
Oh, oh, oh, yeah,
When you gonna find satisfaction?
