

Have A Nice Day

Stereophonics

Buy a banana ba ba banana
Buy a banana ba ba banana
Buy a banana ba ba banana
Buy a banana ba ba banana

San Francisco Bay past pier thirtynine
Early PM can't remember what time
Got the waiting cab, stopped at the red light
Address unsure of, but it turned out just right

It started straight off, "coming here is hell"
That's his first words we asked what it meant
He said "Where you from" we told him our lot
When ya' take a holiday is this what you want?

Have a nice day

Lie around all day have a drink to chase
"Yourself and tourists, yeah that's what I hate"
He said "We're going wrong, we've all become the same"
We dress the same way only our accents change"

So have a nice day

Buy a banana ba ba banana
Buy a banana ba ba banana

"Swim in the ocean that be my dish
I drive around all day and kill processed fish
It's all money gum, no artists anymore
Your only in it now to make more
more
more"
