Albert Hammond, Jr.

Free from it all  
I'm not gonna change till I want to  
And I'm free from it all  
I'm not gonna change till I want to By the way she looked, I should've calmed down  
I went too far, oh, that's all I've got to say  
By the way she looked, I should've calmed down  
I went too far, oh, that's all I've got to say Free from it all  
I'm not gonna change till I want to  
And I'm free from the world  
Where I've built too many roads By the way she looked, I should've calmed down  
I went too far, oh, that's all I've got to say  
By the way she looked, I should've calmed down  
I went too far, oh, I went too far
