

Home For Dinner

Fort Lean

You said that you'd be unforgiven
But I just threw it all away
Your mother worry without you there
I should've told her not to wait
You're always late for everything
So why would you stop now
You never waited for anything
So why would you stop now
It's all over now, It's all over now
It's all over and you're sorry
It's all over now
It's not dismay, is lack of interest
And I know better than to ask
Your mother can't believe I'm not upset
I guess is hard to understand
It's all over now, It's all over now
It's all over and you're sorry
It'd all over now
You're always late for everything
So why would you stop now
You never waited for anything
So why would you stop now
It's all over now, it's all over now
It's all over and you're sorry
It's all over now
