

If It Takes All Night

Janet Jackson

I've got my eyes on you
You're playin with peek-a-boo
And it's so exciting
There's such a chemistry between you and me So there's no use fighting
Don't say, "It's so good J"
Just give your heart away
'Cause I'll find the words to say...[Chorus]
If it takes all night
If it takes all night, honey
Gonna make you mine
If it takes all night
Gotta find a way
To get inside your heart tonight
I'll make the lovin' right
If it takes all night I hear what people say
Love's just a game you play
For the competition
Even some friends of mine Say that I'm wastin' time
But my heart won't listen
I know they want you too
They say I won't get through
But it will be me and you [Chorus] I know my lover when I see him in disguise
And I won't give up 'til I see that fire in your eyes [Chorus]
