Seduction

Michel Reis

I can't help all my feelings
Of temptation
Every time you touch me
The way that you provoke me
I run away, just gotta get away
Your kiss is pure seduction
Your love is my addiction
Can't go back but I gotta let go
Your powerful desire
Has set my soul on fire
This world keeps turning
My heart keeps yearning
It's beating like a drum roll
You make me want to lose control
My heart keeps racing
It won't slow down
I'm starting to get weak and I
Don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
'Cause all I do is think of you
My heart keeps racing
It won't slow down
I'm starting to get weak and I
Don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
'Cause all I do is think of you
Your seduction's
A dangerous potion
Spreads like wild fire
All over every inch of me
There's no defense
Your love is too intense
I feel it in my body
You always keep on haunting me
Your seduction's

A dangerous potion
Spreads like wild fire
All over every inch of me

There's no defense
Your love is too intense
I can feel it 'Your Seduction'
My heart keeps racing
It won't slow down
I'm starting to get weak and I
Don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
'Cause all I do is think of you
My heart keeps racing
It won't slow down
I'm starting to get weak and I
Don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
'Cause all I do is think of you
Can't you see
What your love is doing to me?
I can't breath, I can't sleep
I don't know what to do
You took my heart and my soul
Got no choice
I'm so in love with you
I think I'm losing my mind
Your seduction's
A dangerous potion
Spreads like wild fire
All over every inch of me
There's no defense
Your love is too intense
I feel it in my body
You always keep on haunting me
My heart keeps racing
It won't slow down
I'm starting to get weak and I
Don't think I can take no more
Can't think straight
And I don't know what to do

I'm gonna lose my mind
'Cause all I do is think of you
