I Want To Live

Josh Gracin

Sometimes I feel like I need to shake myself, to wake myself
I feel like I'm just sleep walkin' through my life
It's like I'm swimmin' in an ocean of emotion
But still some how slowly goin' numb insideI don't like who I'm becomin'
I know I've gotta do somethin'
Before my life passes right byI wanna cry like the rain, cry like the rain
To shine like the sun on a beautiful mornin'
Sing to the Heavens like a church bell ringin'
Fight with the Devil and go down swingin'Fly like a bird roll like a stone
Love like I ain't afraid to be alone
Take everything that this world has to give
I wanna liveSometimes I wonder why I work so hard, to guard my heart
Well I hardly feel anything at all
I've spent my whole life building up this ivory tower
Now that I'm in it I keep wishin' it would fallSo I could feel the ground beneath me
Really taste this air I'm breathin'
And know that I'm aliveI wanna cry like the rain, cry like the rain
To shine like the sun on a beautiful mornin'
Sing to the Heavens like a church bell ringin'
Fight with the Devil and go down swingin'Fly like a bird roll like a stone
Love like I ain't afraid to be alone
Take everything that this world has to give
I wanna live, I wanna liveSomething deep inside keeps saying
Life is like a vapor
Its gone in just a twinklin' of an eyeI wanna cry like the rain, cry like the rain
To shine like the sun on a beautiful mornin'
Sing to the Heavens like a church bell ringin'
Fight with the Devil and go down swingin'Fly like a bird roll like a stone
Love like I ain't afraid to be alone
Take everything that this world has to give
I wanna take any breath I can get, I wanna live
Yeah yeah
