A Real Old Time Revival

11th Hour

A Real Old Time Revival

CHORUS
Heâ€™ll send a real old time revival
Heâ€™ll give us ears to hear the Masterâ€™s voice
Heâ€™ll send a real old time revival
A revival that will make our hearts rejoice
A soul saving, saints praising, breeze of Holy Ghost wind
Heâ€™ll send a real old time revival again

VERSE 1
In the days of old people knew what church was all about
Now thereâ€™s so much compromise the whole world stands in doubt
There is only one way to get back, this is true
According to Godâ€™s Holy Word, this is what Heâ€™ll do

CHORUS (Interlude)

VERSE 2
The Bible says to humble down, turn and start to pray
To save us from the mess weâ€™re in, thereâ€™s no other way
Itâ€™s not new programs that we need the most,
Just turn and seek the Face of God for a move of the Holy Ghost

CHORUS
CHORUS lead

TAG
