

Baby Won't You Please Come Home

Dinah Washington

Baby won't you please come home?

Cause your daddy's all alone

I have tried in vain

Never no more to call your name

When you left you broke my heart

Because I never thought we'd part

Every hour in the day you will hear me say

"Baby come home"

Baby won't you please come home?

Because your daddy's so alone

I have tried in vain

Never no more to ever call your name

When you left you broke my heart

Because I never thought we'd part

Every hour in the day you will hear me say

"Baby come on home", daddy needs baby

Baby won't you please come home?
