

British Mode

Goose

Give me a reason to cool you down

An explanation

I'm gonna lift you to up a crown

A great location

I try to hit it hard

Give me a reason

This ain't no heart attack

Nobody

Give me a reason to cool you down

An explanation

I'm gonna lift you to up a crown

A great location

I try to hit it hard

Give me a reason

This ain't no heart attack

Nobody

Give me a reason to pull you down

An explanation

I'm gonna lift you to up a crown

A great location

I'm gonna beat you to the ground

No conversation

Give me a reason to cool you down

An explanation.

I try to hit it hart

Give me a reason

This ain't no heart attack

Nobody

I try to hit it hard

Give me a reason

An explanation.
