Push It Baby

Pretty Ricky

It's so many girls in here
It's so many girls in here
It's so many girls in here
It's so many girls in here
I wanna see you push it, push it, push it
I wanna see you move it, move it, move it
I wanna see you wind it, wind it, wind it
I wanna see you
I wanna see you
Push it baby, oh, just push that thang on me
Push it baby, I wanna see you
I wanna see you
When I step up in the club I'm so ah ah ah
Tossing dollars at these broads like ah ah ah
Pretty women up in here like bah bah bah
Spittin' game in their ear like la la la
Baby Blue I don't play no games
Head to my feet so fresh, so clean
Buying out the bar like it ain't no thang
Hot boy like Wayne diamonds in my chain blang blang blang
I got canary diamond cluster tryna bustas
Got the matching Lamborghini same color mustard
Buying drinks for these chicks and now they owe me
More gin if you wine I'm the same ol' G
I wanna see you push it, push it, push it
I wanna see you move it, move it, move it
I wanna see you wind it, wind it, wind it
I wanna see you
I wanna see you
Push it baby, oh, just push that thang on me
Push it baby, I wanna see you
I wanna see you
Rick rabs [Incomprehensible] ride
Ridin' this so quick like don't try
Leave them haters in the dust like bye bye bye
Girl standin' on the corner like la la la
You know I pull up on the scene all late twenty eight
Big place two dates leasin' crates, yes, they gon' shake
Juicy like a milkshake tender rise like a shake

So don't hate 'cuz the oven on my side easy bake
And I'm so fly, no lie
No lie, urban legend in the hood like T.I.
'Cuz I'm rich now chicks want me to hit now
'Cuz I spit [Incomprehensible] slick the shit now
I wanna see you push it, push it, push it
I wanna see you move it, move it, move it
I wanna see you wind it, wind it, wind it
I wanna see you
I wanna see you
Push it baby, oh, just push that thang on me
Push it baby, I wanna see you
I wanna see you
You know shades n the club like why
You my star baby look up in the sky
See the Pretty Ricky jet flyin' high
I'm fly
Milli Park the Bentley jumped out clean
All eyes on me
Marco Day blue jeans with the fresh tee
Lightin' up in the club like I'm paparazzi, yeah
Call me Mr.Pringles, I'm stackin' my chips
Get up in the club make you rain off rep
She at the post spinnin' like bices
Snatch 2 chicks and rolled out like dice
I wanna see you push it, push it, push it
I wanna see you move it, move it, move it
I wanna see you wind it, wind it, wind it
I wanna see you
I wanna see you
Push it baby, oh, just push that thang on me
Push it baby, I wanna see you
I wanna see you
