

# Internet Friends (Go Buck! 108% Moombahton Edit)

## Knife Party

Come now, surely we can be friends  
I know so much about you  
I love you  
Look at everything I've done for you  
You'd be nothing without me Why don't you answer me?  
I bet you're busy talking to some fucking slut  
Fucking skank  
Is she hotter than me?  
Would you fuck me?  
Are you gay? You blocked me on Facebook  
And now you're going to die Now you're going to die You blocked me on Facebook And now you're going to  
die Now you're going to die You blocked me on Facebook
