Erick Turnbull

We fought your wars with all our hearts
You sent us back in body parts
You took our wills with the truth you stole
We offer prayers for your long lost soulYour remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the AmericanWe don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right nowWe don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world
Right now, right now
Right now, right nowThere is no flag that is large enough
To hide the shame of a man in cuffs
You switched your signs then you closed the blinds
You changed the channels and you changed our mindsYour remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the AmericanWe don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right nowWe don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world
Right now, right now
Right now, right nowRight now, right now
Right now, right nowNo flag large enough
Shame on the men in cuffs
Close the blindsYour remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the AmericanWe don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right nowWe don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world

Right now, right now
Right now, right nowRight now, right now
Right now, right now
